# HOW IT WORKS

## Student Admission

Powerful student admission form add 40+ records for student including previous school details. Add student siblings, RTE, IDs and multiple documents to maintain complete record in student profile

The screenshot displays the 'SMART SCHOOL' interface for 'Mount Carmel school'. The main section is titled 'Student Information' and contains a 'Student Admission' form. The form includes the following fields:

- Admission Number
- Roll Number
- Class (dropdown menu)
- First Name
- Last Name
- Gender (dropdown menu)
- Category (dropdown menu)
- Religion
- Cast
- Mobile Number
